PT. Nata Visual Indonesia

www.natavisual.com

natavisual event organizer

We are dedicated to continually expanding our capabilities and seeking new challenges in every event we handle. Our mission is to create something fresh and innovative in every event we undertake, and we approach every project with an analytical approach, listening carefully to our clients' wants and needs and building strong personal relationships in order to provide effective and efficient solutions.

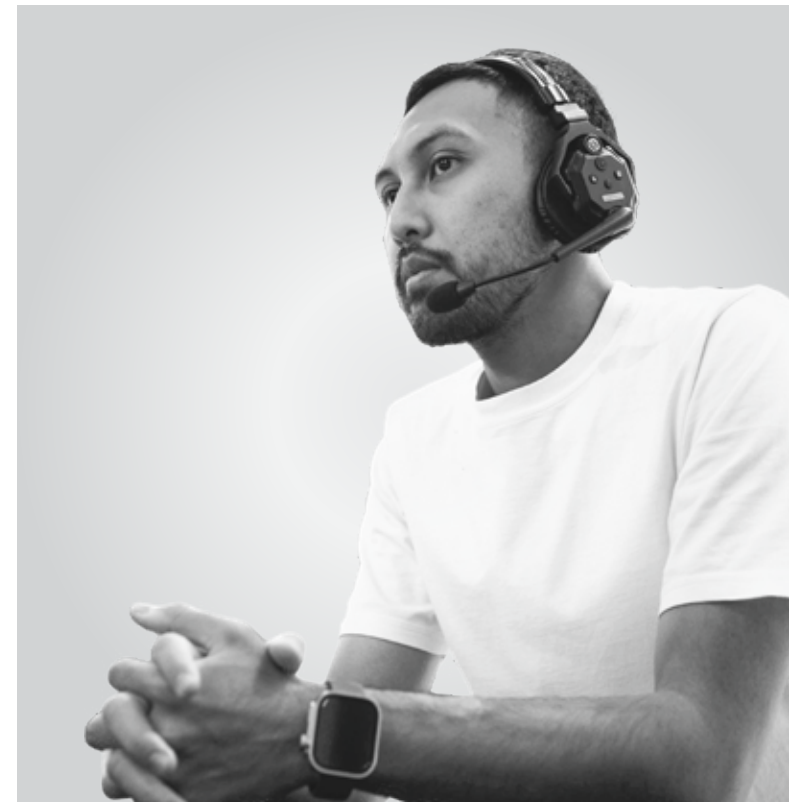

We are proud to be a reliable partner for companies and governments and we are ready to help our clients realize their vision and dreams of holding events. Natavisual provides a professional event organization service, but also acts as a partner dedicated to the success of our clients' goals.

Budget Stabilization Funds and Income Savings Endowment Funds – Series 3

On 11–15 November 2024, The Haven Seminyak Bali witnessed the implementation of the Training of Trainers Workshop: Budget Stabilization Fund and Revenue Savings Endowment Fund. This prestigious event was organized by the Commercial Law Development Program (CLDP) with participants consisting of representatives of government employees and ministries from various regions in Indonesia. This is the 4th event in 2024 that CLDP entrusted to Natavisual to organize all activities related to the success of the event. And for 2025, we are still entrusted to be part of the CLDP event series in Indonesia.

Deposit BPR Fair by Komunal: The Largest Exhibition to Drive Indonesia's Financial Inclusion

On September 25–29, 2024, the Communal BPR Exhibition returns to the Atrium of Central Park, Jakarta, as the largest and only BPR deposit exhibition in Indonesia. With the theme “Strong BPRs, Great Indonesia”, this second edition aims to encourage the digitalization of BPRs as the driving force of the local economy. After the success of its first edition in June 2024, Komunal further strengthens its presence as a platform that brings people closer to BPR deposit products, especially in big cities like Jakarta. Natavisual as the organizer ensured that the event ran smoothly from the opening to the closing of the exhibition. for 2025 we have been trusted again to run this event.

7th Acid Mine Drainage and Post-Mining Seminar

On October 29–31, 2024, the Faculty of Mining and Petroleum Engineering, Institut Teknologi Bandung (FTTM ITB) held the 7th Acid Mine Drainage and Post-mining Course and Seminar. This activity is an important forum for students, lecturers, and experts in the mining sector to discuss strategic issues surrounding acid mine drainage and post-mining management. NATA Visual, as the event organizer, played a role in managing the entire series of events, ensuring the success of each agenda with high professionalism.
